## Call for submissions

Exhibit proposals are requested for the 9th Floor Case, Schermerhorn Extension. We aim to replace the current exhibit with a new installation in May 2025. Up to \$500 is available toward the cost of installation.

### **REQUIREMENTS:**

- Exhibits should use the entire case and are expected to be left in place until the end of Spring semester, 2026.
- Submissions should be made by a team of at least two people, including a Columbia faculty member who may act as a partner or mentor.
- Proposals should be no more than 1500 words in length. They should outline the planned exhibit, its themes and organization. A short bibliography and a schedule for preparation and installation should also be included. Illustrations may also be included but are not required.

Proposals are due by 31st March 2025 and should be emailed to the Columbia Center for Archaeology at [archaeology@columbia.edu](mailto:archaeology@columbia.edu). A hard copy should be deposited at the Center for Archaeology Office (961b Schermerhorn Ext, 1200 Amsterdam Ave., MC 5523) for the attention of Tiffany Pinnock.

More information about the current exhibit may be found at our Wordpress site.
